

BARTON'S PASSOVER CANDY AVAILABLE NOW

Our Mosad Shalom religious school has kicked-off their Passover Candy fundraiser. Barton's (Kosher for Passover) candy will be available for purchase during the 1st three weeks of February. Please consider supporting our students in their efforts to raise money for their religious school education and programming. All money raised through this fundraiser directly benefits our students.

Candy brochures and order forms are available on the literature tables in the front office and social hall. You can also view the brochure online at www.misschocolate.com/passover.php There are some non-edible useful household items available in the brochure as well. Even if you don't like candy, it makes a great hostess gift if you are attending a Seder at someone's home!

Please return your order forms to the temple office by February 20th. All items will be delivered to our temple by mid-March and will be free of shipping charges. Should you have any further questions, please contact our Chairperson, Marni Sider at msider@san.rr.com or (858) 967-5888. Our students thank you in advance for your support!
