## Presidents' Message

Dear Sisterhood Members,

Thank you all for supporting us going into the second year of our presidency of the TAS Sisterhood. Last year was truly a wonderful year. We learned a lot, made some mistakes and had some great successes.

Neither of us realized that the most rewarding part of being Sisterhood presidents has been the opportunity to get to know so many of you. We have each had the opportunity to work

Jongg tournament. What a great success that was. Look for the one coming up this January. The tournament was a real money-maker for us and these ladies did a fantastic job! And of course, we have instituted our monthly happy hour at The Brigantine, which provides a very casual opportunity to just get together and schmooze.

Looking forward to the new year, we will be combining some events with some of the other auxiliaries this

add programs and interest groups that would be appealing to all—mothers of Ganon Gil and Mosad Shalom as well as our veteran women.

We are looking to have greater numbers of people on our committees and for a variety of reasons:

1. *We really* need the help!
2. *We really* want new ideas!
3. *We really* want to develop new leadership!

As of June, we had approximately 200 members on our roster. We hope to increase that number substantially this year. We are calling on each of you to help bring in new members and participants. How about before each event you call someone new and invite them to attend with you? Reach out—extend a warm hand—and bring someone new into the fold.

Finally, our thanks to all for your support this year. We feel so blessed to have such a great Board to work with and a great membership. As always, our phone lines are always open, please feel free to share your thoughts and ideas with us.

Looking forward to another great year with you, our sisters, and many thanks.

B'Shalom,

Lisa Avent & Diane Singer  
Sisterhood Co-Presidents

“Last year was truly a wonderful year. We learned a lot, made some mistakes and had some great successes.”

with, volunteer with, socialize with and become friends with people we may have never had the opportunity to do so without our involvement in Sisterhood.

Where else would a young mother and a great-grandmother spend time together making mandelbroit? Or, two women who didn't know each other bond over making 1,000 falafel balls for the Jewish Food Festival? Or, have the opportunity to do torah study with women of all ages and different perspectives? That is the true joy of Sisterhood.

What great programming we had this year. Notably, we had our first ever Shabbaton. Our talented membership stepped up and led some fabulous workshops. This was combined with our annual Sisterhood Shabbat—also beautifully done. For us, it was one of the highlights of our programming year.

We instituted a couple of new programs this year. We had our first ever Spa Day. Those of us that attended had such a glorious time luxuriating and lunching at Spa Gregorie.

Lauren Milana and Debbie Savitsky brainstormed and organized a Mah

year, with the anticipation of better attendance and more financial rewards.

Speaking of financial rewards, you may have noticed we have changed our dues structure for this year. We have increased our basic dues, plus we have added some higher levels of dues participation that comes with some perks at different levels. This enables us to more easily cover our basic obligations. We have struggled with this issue in the past couple of years and, with our obligations to WRJ and to TAS, our Board felt it was prudent to raise our dues for the first time in 10 years. Sisterhood's major expenditure of the year is our support of Mosad Shalom, providing the funds to pay for the madrachim in the classrooms. This is a fantastic use of our resources, because it not only provides support for our teachers, it also engages our youth after they have become b'nai mitzvah.

Our Board has a plan to do more outreach to temple members—newly-joined and those who have been around for a while. We have made our programming more inclusive of working women. We are endeavoring to

## What is the WRJ?

The WRJ (Women of Reform Judaism) is the women's affiliate of the Union for Reform Judaism, the central body of Reform Judaism in North America. Established in 1913, WRJ now represents more than 65,000 women in over 500 women's groups in North America and around the world.

With a mission to ensure the future of Reform Judaism, WRJ works to educate and train future sisterhood and congregational leadership about membership, fundraising, leadership skills, advocacy for social justice, and innovative and spiritual programming. Through our YES Fund (Youth, Education, and Special Projects), WRJ provides financial support to rabbinical students at Hebrew Union College-Jewish Institute of Religion, to the youth programs of the Reform Movement, and to programs benefiting women and children in Israel and the former Soviet Union.
