

Chavurah Havdalah at La Jolla Shores Saturday August 28th

An illustration of a beach scene. In the foreground, a white Adirondack chair sits on the sand. To its right is a small table with a red drink and a white straw. A colorful beach umbrella (purple, yellow, and green) is open behind the chair. In the background, there's a blue ocean and a light blue sky. A palm frond hangs from the top left corner. A blue book lies on the sand in the bottom center.
